RSK is a family of more than **200 businesses** working together. Most businesses in the group are known in their respective marketplace by their individual brand. Here is a **small selection of our brands**:

RSK

OUR MISSION

To provide outstanding services from an excellent working environment by being well-motivated, ambitious and enthusiastic professionals

LONG-TERM VISION

By doing the right thing and ensuring RSK is a business that people want to be part of, we believe we can become the world's largest and most trusted provider of sustainable solutions

What does RSK's International Projects Group do?

- **Helps manage environmental and social risk**
- **Helps consent, construct and manage energy, mining and infrastructure projects**
- **Helps our clients meet regulatory and international lender requirements**

- Environmental and social (E&S) consultancy services
- Environmental and social impact assessments (ESIA)
- Lender standards (e.g., IFC, EBRD, Equator Principles 4)
- E&S due diligence for lenders and companies
- E&S management systems and plans
- Baseline surveys and detailed mitigation and monitoring plans
- Climate Change risk assessment (CCRA), mitigation and adaptation, climate related disclosure (e.g., TCFD)
- Resettlement Action Plans (RAP), and livelihood restoration planning and implementation
- Human rights due diligence (HRDD), gender and inclusion

Why us?

Experienced staff with in-depth knowledge of international lenders standards.

60+ international E&S experts with work experience in 40+ countries.

We understand developers, regulators, lenders, and communities.

We start offices and place people in-country to be there for clients.

We partner and hire locally to provide deep contextual knowledge and promote national content.

We understand the business case for E&S best practice, and know how to maintain a social license to operate.

We use modern technology for technical work and data management.

We offer strong, long-term consultant relationships with institutional memory.

100% of our ESIA's and related management plans meet our clients' approvals needs.

Thank you!
